

# ACT Game Line Paint

Compatible with ACT's Waterborne & Oil-Modified Coatings

## Description

ACT Game Line Paint was designed to improve gym floor finishing systems. We have taken the worry out of adhesion, dry times and compatibility related issues. ACT offers a custom color-matching program that will match a color chip or PMS coded color to further reduce color blending inadequacies. ACT Game line paint is compatible with ACT's waterborne and oil-modified coatings.

## Characteristics

- 11 base colors that are blendable
- Color palette achieving over 2,000 colors
- Unique custom color program
- Excellent Leveling
